YEALANDS

Rosé

2019

Our wine is inspired by the coast that surrounds us, so close to the ocean that our vines are often misted with sea spray. The beauty of our environment influences how we craft wine, respectful of nature and our land. Yealands believes in sustainable winemaking and creating thoughtfully crafted wines that work in harmony with our landscape.

## Tasting Note

### Bouquet

This attractive light peach coloured Rosé has an enticing bouquet of ripe red berries, red cherry and cream.

### Palate

A juicy, textured palate with flavours of strawberry and cherry ambrosia layered with well-balanced acidity and a crisp mineral finish.

### Food Match

Enjoy with goats cheese, light Summer salads or your favourite seafood.

### Dietary Information

Suitable for vegetarians, vegans and a gluten free diet.

### Cellaring Recommendation

Enjoy now, or cellar up to 2 years.

## Vintage Summary

The 2019 growing season in Marlborough was a hot and dry one. Vintage started in mid-March and it provided us with incredibly stable weather for growing Pinot Gris. Summer in Hawke's Bay brought long warm days and cool nights, perfect for Merlot. Overall, the grapes had a luxurious ripening time, allowing flavours to fully develop while maintaining natural balance.

This resulted in a Rosé that is filled with lifted aromatics and a beautiful concentrated mouthfeel.

## Winemaking

**Winemaker:** Natalie Christensen

**Harvest Date:** 19th March - 2nd April 2019

**Winemaking Analysis:** Alc 13.0% | pH 3.34 | TA 5.4 | RS 3.0g/l

The Pinot Gris parcels that created this Rosé were individually harvested over a period of two weeks. The fruit was destemmed and then gently pressed. The juice was cold settled for 48 hours then racked prior to a long cool fermentation in stainless steel tanks to capture bright, fresh fruit characters. Each parcel was fermented separately with a range of yeasts to build complexity and structure. Following fermentation the wine was blended with a portion of merlot for colour and complexity, stabilised and filtered prior to bottling.
