Vintage Summary

Marlborough experienced rather high rainfall during the growing season, resulting in high moisture levels throughout the vineyard. Dewy mornings combined with good crops created a sense of nervousness heading into vintage. However, the weather remained stable, which meant we could pick our fruit when desired and the concentration and health of the fruit was outstanding.

The resulting wine is showing the wonderful hallmarks that our Awatere and Wairau vineyards are known for – highly aromatic herbaceous and tropical flavours with underlying purity and minerality.

Winemaking

Winemaker: Natalie Christensen

Harvest Date: 16th - 30th March 2023

Winemaking Analysis: Alc 9.0% | pH 3.43 | TA 7.55 | RS 8 g/l

Carefully selected parcels of Sauvignon Blanc from our Awatere and Wairau Valley vineyards were used to craft this wine. At the winery, the fruit was gently pressed and the juice was cold settled for 72 hours. The clear juice was then racked off solids, followed by a long cool fermentation in stainless steel, to capture and enhance the fruit flavours. The wine was then blended, balanced, stabilized and filtered before bottling.
