Vintage Summary

Marlborough experienced rather high rainfall during the growing season, resulting in high moisture levels throughout the vineyard. Dewy mornings combined with good crops created a sense of nervousness heading into vintage. However, the weather remained stable, which meant we could pick our fruit when desired and the concentration and health of the fruit was outstanding. This resulted in a Rose with concentrated flavours, with underlying purity and minerality.

This resulted in a Rosé that is filled with lifted aromatics and a beautiful concentrated mouthfeel.

Winemaking

Winemaker: Natalie Christensen

Harvest Date: 16th March - 5th April 2023

Winemaking Analysis: Alc 12.5% | pH 3.47 | TA 6.11 | RS 3.3g/l

Individual parcels of fruit were harvest, destemmed and gently pressed. The juice was then left to settle in tank for 48 hours, where it was racked prior to fermentation. A long, cool fermentation, using a range of yeasts to capture the bright, fresh fruit characters. The individual parcels were then blended, stabilised and filtered prior to bottling.
