## YEALANDS Sauvignon Blanc Rosé Marlborough 2020

Our wine is inspired by the coast that surrounds us, so close to the ocean that our vines are often misted with sea spray. The beauty of our environment influences how we craft wine, respectful of nature and our land. Yealands believes in sustainable winemaking and creating thoughtfully crafted wines that work in harmony with our landscape.

### Vintage Summary

We were incredibly lucky to be able to continue to create these wines during the global pandemic crisis. For this reason, our 2020 wines carry some very unique memories.

The 2020 growing season was very dry, which meant disease pressure was low and some timely light rains kept just enough water flowing in our rivers.

We had a classic Marlborough autumn with warm days and cool nights, which created this season's wines with our signature fresh natural acidity and intense fruit flavors.

The resulting wine is showing the wonderful typicity that our Awatere vineyards are known for – highly aromatic fruit flavors, vibrancy, purity and minerality.

### Winemaking

**Winemaker:** Natalie Christensen

**Harvest Date:** 26th March - 9th April 2020

**Winemaking Analysis:** Alc 13.0% | pH 3.17 | TA 7.2 | RS 4.3g/l

Parcels of Sauvignon Blanc from Awatere and Wairau Valley were selected to blend this wine. When the fruit was at optimal ripeness, the fruit was harvested, de-stemmed and gently pressed. The clear juice then underwent a long cool fermentation in stainless steel tanks, using a range of specially selected yeasts to enhance varietal characters and structure. A splash of Syrah was added from one of our Hawke's Bay vineyards to give the attractive pink hue. Once blended, the wine was stabilized and gently filtered prior to bottling.
