### Vintage Summary

Vintage 2022 was an exciting classic Marlborough harvest. A warm Spring secured good fruit set throughout the region. Some challenging weather in February was rewarded with clear warm days throughout harvest. The cool crisp nights and warm days in March retained vibrant acidity while allowing flavours to develop fully. A slow and steady ripening resulted in beautifully intense and structured wines.

### Winemaking

**Winemaker:** Natalie Christensen

**Harvest Date:** 23<sup>rd</sup> March - 9th April 2022

**Winemaking Analysis:** Alc 12.5% | pH 3.35 | TA 7.6 | RS 4.2g/l

Parcels of Sauvignon Blanc from Marlborough were selected to blend this wine. When the fruit was at optimal ripeness, the fruit was harvested, destemmed and gently pressed. The clear juice then underwent a long cool fermentation in stainless steel tanks, using a range of specially selected yeasts to enhance varietal characters and structure. A splash of Merlot was added from one of our Hawke's Bay vineyards to give the attractive pink hue. Once blended, the wine was stabilised and gently filtered prior to bottling.
