YEALANDS Sauvignon Blanc Rosé Marlborough 2021

Our wine is inspired by the coast that surrounds us, so close to the ocean that our vines are often misted with sea spray. The beauty of our environment influences how we craft wine, respectful of nature and our land. Yealands believes in sustainable winemaking and creating thoughtfully crafted wines that work in harmony with our landscape.

Tasting Note

Vintage Summary

This is the earliest harvest on record since our inception. There were late spring frosts in Marlborough and some challenging weather over the flowering period, which resulted in moderate crops throughout the region. These moderate crops, coupled with a warm and stable end to the growing season, set us up for an early start with stunning fruit. We had clear warm days throughout March, so we could pick at our leisure, without any pressure from the elements.

The resulting wine is showing the wonderful hallmarks that our Awatere vineyards are known for – highly aromatic fruit flavors, with underlying purity and minerality.

Winemaking

Winemaker: Natalie Christensen

Harvest Date: 12th March - 9th April 2021

Winemaking Analysis: Alc 13.0% | pH 3.23 | TA 7.3 | RS 3.6g/l

Parcels of Sauvignon Blanc from Awatere and Wairau Valley were selected to blend this wine. When the fruit was at optimal ripeness, the fruit was harvested, de-stemmed and gently pressed. The clear juice then underwent a long cool fermentation in stainless steel tanks, using a range of specially selected yeasts to enhance varietal characters and structure. A splash of Syrah was added from one of our Hawke's Bay vineyards to give the attractive pink hue. Once blended, the wine was stabilized and gently filtered prior to bottling.
